Society is looking forward to the Ingalls-Collins concert on the 30th. Mrs. Ingalls has been heard in Honolulu a great many times and each time the audience is more appreciative. Miss Collins is also well known in the musical circles of Honolulu and her voice has found favor with everyone.

Hyde-Smith-Bulkeley Nuptials.

The engagement of Miss Grassi Bulkeley and Mr. Bayard Hyde-Smith was announced a few months ago and San Franciscans are most anxious to obtain a glimpse of the charming young bride-elect. She has only visited here for a few days at a time, so society is anticipating making the most of the stay of Mr. Hyde-Smith and his bride when they visit San Francisco en route to their future home in Honolulu.

Mrs. Eleanor Hyde-Smith will go to Washington to be present at her son's wedding, but will probably be the only representative of the family who will be able to attend it. A reception at the home of Miss Bulkeley's mother, Mrs. W. A. Gill, wife of Commander Gill, U. S. N., will be held after the marriage services are read. —San Francisco Chronicle.

Mrs. Raymond Brown, with her daughter, Miss Helen Brown, will leave in the transport next week for Cleveland, Ohio. Miss Brown is soon to become the bride of Mr. Stephen Hanna. WHAT WOMEN ARE DOING

Queen Wilhelmina of Holland has received a petition signed by 25,000 men asking that the suffrage be given to women. This monster petition is the work of the Netherlands Men's League for Woman Suffrage, though many of the signatures are said to be those of non-members. It is a protest against the constitutional revision committee for not giving the Dutch women equal rights with the men. In Iceland the suffragists seem pretty sure of victory, though the measure giving votes to women has not yet passed the Althingi the second time. There is said to be no opposition to the bill, though the suffrage leaders from Reykjavik, the capital, are traveling over Iceland by steamboat or horseback to make sure that the population even in the remote villages and farms are instructed. Self-supporting spinsters and widows have had the municipal suffrage in Iceland since 1882. In 1909 it was extended to all taxpaying women. The present measure, which was introduced the later part of last year, provides for full suffrage for all women.

Mutual Bank for Self-Supporting Women in Berlin is said to be the only bank in the world owned and run by women exclusively for women. It was established in 1910 with a capital of about \$25,000. The board of control is made up of four women and there are seven women clerks.

Miss Mabel Gillespie, the secretary of the Women's Trade Union league of Boston, has been appointed by Gov. Foss to a place on the minimum wage commission. Miss Gillespie is the second woman on this board, as Gov. Foss several weeks ago appointed Mrs. Glendower Evans.

Mrs. Myrtle Shepherd Francis, the woman floriculturist of Ventura, Cal., has after years of scientific toil produced a double petunia which is the wonder of hybridizers the world over. Mrs. Francis devoted five years to the work of raising the plebeian single petunia to the rank of the catanion and the orchid and forcing it to reproduce itself by seeds. Mrs. Francis is the granddaughter of a chief justice of the United States and began her work among flowers when a small child.

Jim Jeffries inherited \$12,190 as a part of his mother's estate, divided among seven children.

TERRIERS KILL PLAGUE RATS

MANILA, P. I., Sept. 4.—Six thoroughbred Australian fox terriers are being used by the bureau of health in the big rat round-up in the Villalobos area in Quiapo district, where cases of plague were found recently. In addition to the canines 50 men are at work in the area to be cleaned up and they are using as aids many spring and wire traps and quantities of poison.

The rat killers are working in the squares surrounding the block in which a plague rat was found by the bureau and are gradually closing in to a common center. As soon as all the rats are killed a force of 300 men will be put to work cleaning up the rodent-purged territory and making it rat-proof.

According to Dr. Victor G. Heiser, director of the bureau of health, it will take about ten days to kill all the rats in the Villalobos district. "Very fortunately these splendid dogs arrived about a week ago," said the doctor yesterday. "We find that the rats take refuge under wood piles and when these are pushed over the dogs prove invaluable for they rarely, if ever, let a rat escape."

"This is considered to be the most modern method of rat extermination, and we have secured the finest rat catching dogs to be had."

AMUSEMENTS.

HAWAII THEATER

No. 1—"THE SIEGE OF PETERSBURG"

This wonderful war-time drama can be seen only two nights more. The G. A. R. veterans, to a man, claim it to be the most realistic incident ever reproduced.

No. 2—"TREASURE ISLAND"

The Edison Company has succeeded in photo-playing Robert Louis Stevenson's famous book and the world's great juvenile classic without losing one salient point in the interpretation. Only one need, but the watching of it as the adventures follow one another will lead a new and lively interest to that dog-eared book in the old trunk upstairs. The happy days of boyhood will momentarily return and your burdens will disappear. Better come once, anyway. (Two nights only.)
No. 3—"THE MISSIONARY'S GRATITUDE"

A Bison production, well acted, which proves that virtue has its own reward only when all parties agree that it has. Someone is grateful, but the "why" is the interesting feature.

Big Remnant Sale

THE closing out of Dress Goods which we commenced on the first of the present month, has resulted in a large accumulation of Short Ends. These are being measured up and marked for a final clearance, to begin on

TUESDAY, OCTOBER 1st

This will be the Greatest Remnant Sale we have ever held, and probably the last, as we will have no more Dress Materials (excepting white) when this stock is gone. The Remnants will consist of short ends of SILKS, WOOL GOODS, WHITE and COLORED WASH GOODS.

We require the room, and as soon as we can get to it we are going to make some extensive alterations in the store before showing our Holiday Line.

It will be a big saving to take advantage of this Great Remnant Sale, commencing at 8 o'clock next Tuesday morning.
